

RAIS CONFERENCE PROCEEDINGS

The 43rd International RAIS Conference
on Social Sciences and Humanities

MARCH 12-13, 2026

EDITORS: DR. JULIA M. PUASCHUNDER
DR. SIMONA FRANGULOIU

This publication presents the proceedings of the *43rd International RAIS Conference on Social Sciences and Humanities* organized by Research Association for Interdisciplinary Studies. The contributions included in this volume reflect a wide range of perspectives, addressing key issues in areas such as artificial intelligence and its societal implications, leadership and innovation in organizational contexts, contemporary legal and regulatory challenges, healthcare ethics and disparities, religious studies, environmental sustainability and climate resilience, global security and geopolitics, offering valuable insights into current challenges and developments in the social sciences and humanities.
